

## Ramadan Activities

Dear Parents,

Salam. We hope you are well.

We will be doing some special activities to celebrate the blessed month of Ramadan.

We would be delighted if parents with artistic flair ,or those with sheer enthusiasm, could join us in nursery for any of the following:

**Week beginning 28/03/2022:**

Decorating and making Ramadan bunting using collage.

Decorating and making Sadaqah boxes.

**Week beginning 04/04/2022:**

Making Salah mats using fabric printing

**Week beginning 11/04/2022:**

Making Ramadan lanterns

**Week beginning 19<sup>th</sup>/04/2022:**

Making Eid cards

Please let your key worker know which day and what time you would be able to come in to help.

The children will be asked to contribute to our “Kindness tree”. They will be encouraged to carry out smalls acts of kindness in nursery. Please could you reinforce this at home. They could help by:

- setting the table for Iftar
- co-operating and playing nicely with their siblings
- tidying up
- sharing and taking turns
- helping with simple chores

Please write any good deeds your children do on a piece of paper and the ones who bring them in, can add a leaf on our kindness tree.

If you have any questions, please see you key worker.

**The Eid Party will be held on Thursday 5<sup>th</sup> May.** Children who do not normally attend on a Thursday may do so in addition to their 15 hours. You will not be charged for the extra session. **The cost of the party is £3.00.** If you have more than one child in nursery or have difficulty paying, please get in touch with the office.

JazakAllah for your co-operation.
