Dear Parents

Assalamu-alaikum.

I hope this finds you in the best of health and Imaan.

Eid Mubarak.

I am writing to update you on the arrangements for reopening of the nursery on 2nd June.

Since the notice from the government was given and subsequent guidance documents made available, the staff have been planning for the reopening.

The safety and wellbeing of staff, pupils and families has been of paramount importance.

Maintaining social distancing is a key part of the planning. The staff will guide and encourage the children in this and monitor them. They will try their very best but cannot guarantee children will remain apart at all times.

Monday 1st June will be an INSET day for staff to plan for the reopening.

This INSET day has been brought forward from Friday 26th June (which will now be a school day).

Nursery will start on a part time basis.

Key points about the arrangements in school for when the children return are set out below.

I hope you will find this informative and will assist you in making a decision about your child returning to nursery.

The nursery has been contacting parents by phone to ask about your decision as well as sending text messages.

Please see our FAQs and the additional information set out on the website.

You will be required to read and sign a home school agreement upon return to nursery. This can also be found on our website.

Please do not hesitate to contact the nursery if you have any queries.

Was Salam

Shazra Abbasi
