

Getting Ready for Primary School

Starting primary school is an important time in your child's life. Choosing a suitable school and the application process can seem daunting if this is your first time.

The deadline for applications is in January. Please see below for the dates.

Please visit www.wandsworth.gov.uk/admissions for full information on how to apply.

How you can help your child make the move

BBC bitesize has lots of useful information about how you can help your child during this important transition from home or nursery to primary school.
