

Getting Ready for Primary School

Starting primary school is an important time in your child's life. Choosing a suitable school and the application process can seem daunting, if this is your first time. Wandsworth publish a booklet each year to help you navigate through this.

The booklets are distributed to parents in the first term and the deadline for applications is in January. Please see below for the dates.

Please visit www.wandsworth.gov.uk/admissions for full information on how to apply.

All applications must be received by 15th January 2020.

Offers of places will be sent out on 16th April 2020.

How you can help your child make the move

BBC bitesize has lots of useful information about how you can help your child during this important transition from home or nursery to primary school.
